

Why Choose Free Zones for your Company Formation

The hassle-free company formation process, enormous market opportunities along with the world-class business infrastructure is driving the trade and commerce in the region.

UAE – The Business Hub of Middle East

Absolute Freedom to do business in the UAE has attracted investors worldwide to setup their companies and business Head-Quarters in the country.

The robust business infrastructure, government support towards trade & commerce, secure network of banks, lowest-crime rates, air-sea connectivity, etc., make UAE the first choice for business people around the world.

UAE stands among the top in the Middle East and 16th in the global ranking as per the report of World Bank's 'Ease of Doing Business index for 2020'.

The business in UAE is driven by the huge number of Free Zones operating in the Country. The Free Zones are ideal jurisdiction for expatriates to setup companies which are 100% owned by them.

From lifetime free UAE residence visas, e-channel deposit waivers, low-cost three-year license packages, etc., the UAE Free Zones have a wide range of attractive options for the investors.

Free Zone - Gateway to Business Freedom and Tax Savings

The Free Zones in the UAE facilitates the free growth of entrepreneurs. It offers attractive business setup solutions and advantages to the investors. The 100% profit repatriation, zero taxation, etc., are making the Free Zones of UAE the investor's favorite choice for company setup.
